

RS60RDWX1

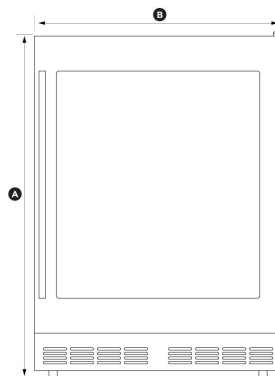

Wine Cabinet Slide-In - 32 Bottle Dual Zone

Fisher & Paykel Wine Cabinets are designed for the discerning customer, combining sophisticated, practical design with optimal storage and display solutions for their wine collection.

Stainless Steel

Dimensions

Depth	580mm
Height	Ⓐ 830mm
Width	Ⓑ 595mm

Features & Benefits

Perfect Control

As white and red wine require different temperatures for ideal storage, the wine cabinet has dual zones that can be easily set between 5°C and 20°C using the touch control panel which also controls the LED lighting.

Optimal Wine Storage

Fan assisted ventilation control ensures even air circulation and minimises musty smells. A low vibration compressor and solid oak shelves ensure minimum vibration for optimal wine storage; while UV tempered glass in the door reduces the risk of external, direct light affecting the wine.

Specifications

Capacity

Bottles	32 bottles
Litres	115 L

Measurements
